Re/Max All-Stars

I have given 22 years of my 28 years as a member of TIGAR, volunteering in leadership in all forms. I have been on the BOD most of those 22 years, chair of several committees several times, President in 2003 and 2015. Also president of CRMLS in 2005 and served many years on the BOD. I have 22 years of leadership experience and 22 years of knowledge with the operation and bylaws of TIGAR. Now, more than ever, we

need experienced leadership on the BOD to go along with the new leadership that is gaining experience. We need that balance if we want to see TIGAR prosper and continue to grow as a highly recognized Association. We are going to have a new CEO that will be learning who we are. We need the historical knowledge on the BOD to go with the new.

I have greatly enjoyed the years I have volunteered and served. I have learned to respect the responsibility that goes with being selected to sit on the BOD. I will continue to be responsive to questions and open to suggestions from our 2,200 members. If elected to serve the 2019/2020 term, I will continue to share my knowledge and experience and work with all of our leadership moving into the upcoming decade to make TIGAR the number 1 REALTOR association in the Inland Empire.
