

Susan Velasquez

Susan is the Broker/Owner of Innovative Property Solutions, a Boutique Brokerage and has been a member of TIGAR since 2005. Being an Independent Broker has taught me that I need to be a resource not only for myself but for my agents and my associate members of TIGAR. As our industry continues to evolve it is critical to stay in front of it and having the tools to continue to grow, so education has become an extremely important subject for me to make sure our members are equipped with knowledge to have a successful business.

I have served on various committees over the last 4 years to include;

Board of Director 2017 & 2018

Membership Co-Chair 2018

Membership Committee - 2016–2018

Education Committee - 2014–2016

Grievance Committee - 2016-2017

WCR Secretary - 2017

I am also extremely passionate about giving back to our community. I am involved in different charities through out our community, am a Chamber of Commerce member, started a group to supply cookies at Christmas for “Christmas Dinner for Homeless Veterans” and contribute to dog rescue’s. Helping others fills me with Joy and plays a huge role in my life.
